A LITTLE ITALY:  
Oliverio.

**OLIVERIO**, BEVERLY HILLS, [avalonbeverlyhills.com](http://avalonbeverlyhills.com)

It's hard to imagine a destination more perfect than the Avalon Hotel for afternoons of torpor-filled tipping, especially with the opening of Oliverio, its charming poolside restaurant. Designer Kelly Wearstler oversaw the space, dispensing with retro motel kitsch and replacing it with a '50s *La Dolce Vita* vibe that perfectly complements Mirko Paderno's traditional Italian menu.
